## MIND/BODY and FLEXIBILITY

**HATHA YOGA** - Balances the opposing energies of the body. Identified with the practice of physical postures (asana) and breathing techniques. (pranayama).

**Benefits:** flexibility, strength, and stress release **A**

**SLOW FLOW YOGA** - A meditative approach to movement, coordinating the breath with Sun Salutations and varying sequences of yoga postures. This class heightens awareness while building physical and mental strength. **A**

**JIVAMUTKI/POWER YOGA** - Jivamutki Yoga is one of nine internationally recognized styles of hatha yoga. This practice is a vigorous style performed in a flowing sequence with emphasis on breath and strength. **Benefits:** flexibility, muscular strength, balance and stress relief. **IA**

**KRIPALU YOGA** - Balance the Chakras (energy centers within the body) through "meditation in motion." Kripalu is a 3-stage yoga that concentrates on body alignment, pranayama (breathing) and meditation. **Benefits:** fitness, stress release, balance **A**

**PILATES MAT** - This is the workout everyone is talking about! An internationally known fitness system created by Joseph Pilates focusing on core stability, balance and flexibility. Pilates Ring may be used in some mat classes. **Benefits:** core strength **A**

**ASHTANGA YOGA** is a system of yoga transmitted to the modern world by Sri K. Pattabhi Jois. This method of yoga involves synchronizing the breath with a progressive series of postures—a process producing intense internal heat and a profuse, purifying sweat that detoxifies muscles and organs. The result is improved circulation, a light and strong body, and a calm mind. **Benefits:** flexibility, and strengthening **IA**

**CORE FUSION:** A deep muscle workout that will transform your body using a unique blend of Pilates, Ballet Bar and Stretching exercises. This class will make your muscles long, lean and strong. **Benefits:** muscular endurance and flexibility **A**

**POWER HOUR** - A vigorous flowing practice that increases stamina, strength, and flexibility. **Benefits:** flexibility, and strengthening **IA**

**PURE STRETCH** - Enhance your life and exercise routine by improving the most important fitness component, flexibility. **Benefits:** Cardiovascular and muscle toning **A**

**RESTORATIVE YOGA** - Experience the sense of renewed energy and peace with this gentle and practical approach to yoga. Synchronize your breathing as you gently place your body into various yoga postures for the most effective results. **Benefits:** flexibility, stress release, balance **A**

**SATURDAY MORNING STRETCH** - Work out the kinks of the long week with this relaxing and soothing stretch class. Focus on improving range of motion and flexibility. **Benefits:** flexibility **A**

**SIVANANDA YOGA** - Om Shanti (Om Peace). This yoga discipline is embraced by people looking for stretch and relaxation. Find peace in learning the five points of yoga and a series of sun salutations. The perfect balance for the hectic lifestyle. **Benefits:** flexibility, stress release and strengthening **A**

**SUNRISE YOGA** - Allows a specific sequence of yoga positions along with balanced breathing. Remove morning stiffness and invigorate, strengthen and stretch the entire body. **Benefits:** flexibility, stress release and strengthening **A**

**TAI-CHI** - Relax and soothe the body & soul with simple and effective movements designed to increase one's flow of energy throughout the body. Bring peace and well being physically, emotionally and spiritually. **Benefits:** flexibility, balance and stress release **A**

**VINYASA YOGA** - A challenging 90 minute practice. A popular evolving form of yoga

that integrates breath and movement, awareness and alignment as well as strength and flexibility. **Benefits:** improves posture, strength, flexibility and stress release. **IA**

**YOGA BASICS** - For the new yogi and people looking to get back to the basics. Focus is placed on proper alignment and breath. This class will open the doors to the world of yoga! **Benefits:** flexibility, balance and stress release **A**

**KUNDALINI YOGA** - combines postures (asanas), movement, sound current (mantra), breath (pranayam), body locks (bhandas) and meditation into powerful sets called kriyas that raise consciousness while exercising the physical body. **Benefits:** Flexibility, Stress release and Strengthening **AL**

## CARDIO CLASSES

**STEP & SCULPT** - It's back! No crazy choreography just plain and simple Step Aerobics coupled with sculpting and toning! **Benefits:** Cardio and Strength components! **AL**

**CARDIO-KICKBOXING** - This exciting cardio class incorporates kick boxing, toning & core strengthening exercises, sure to kick-butt with this total body workout. **Benefits:** Cardiovascular **IA**

**KICK BUTT KICK BOX** - A heart pounding, muscle pumping, sweat pouring, fat burning, punching, kicking time. **Benefits:** cardiovascular **A**

**INTERVAL RIDE** - This ride will be based on interval training. Come prepared to sweat it out! **Benefits:** cardiovascular **A**

**THE RIDE** - Our exhilarating cycling program! Heart rate monitors recommended. "New riders" must arrive 10 mins early and pick up guidelines at Desk **A**

**RIDE PLUS** - Spend a little more time in the saddle and burn some extra calories in this extended cycle class. **Benefits:** cardiovascular **A**

**TRI-RIDE** - Bring out the inner athlete with triathlete Brittany and her cyclist based class. **Benefits:** cardiovascular **A**

**ZUMBA** - (60min) Latin dance featuring cardio & strength components **A**

**SATURDAY SWEAT SHOP** - A heart pounding, muscle pumping, sweat pouring, music thumping blast! Incorporating intense intervals of Boot Camp Basics & Sculpting favorites. **Benefits:** cardiovascular, strength & endurance. **A**

## RESISTANCE TRAINING/MUSCLE CONDITIONING

**A.B.C.** Agility, Balance, and Core. This class will focus on several fitness components including Strength and Flexibility. Participants will use their own body weight, dumbbells and body bars. **Benefits:** Muscular strength and flexibility **A**

**ABS EXPRESS** - A quick concentrated workout specifically targeting the abdominal and lower back muscles. **Benefits:** muscular endurance **A**

**BODY PUMP** - This unique choreograph barbell class will encourage you to push your weight training to the next level. **Benefits:** muscular strength and muscular endurance **A**

**CIRCUIT TRAINING** - This class combines the best of weight training and cardio intervals for a great, total body workout. **Benefits:** cardiovascular **IA**

**HARD DRIVE** - Get pushed to the limit with this intense sculpting class! All exercise props get thrown into the mix: coreboarding, weights, body bars, and stability balls. Come ready to work! **Benefits:** muscular strength and endurance. **IA**

**REDEFINE/SUPERSCULPT** - A Total Body workout using various resistance props to help you achieve that desired sculpted figure. **Benefits:** muscular strength and muscular endurance **A**

**STRENGTH AND STRETCH** - Get it all in this total body workout that will tone and lengthen with an effective blend of resistance and stretching exercise. **Benefits:** muscular strength and flexibility **A**

325 Maple Avenue, Red Bank, NJ 07701
